Sequoia Explore 2022 Inventory 2 years | 25,000 miles* Included with each new lease or purchase contract Toyota covers the normal factory service scheduled for two years or 25,000 miles, depending on which event it happens first. Consult the Toyota dealer for details and exclusions. Valid only in the continental United States and Alaska. Sequoia
SR5 2022 with the options displayed. Natural adventures begin in 2022 with Toyota Sequoia. With the captained chairs â € second row, the heated and ventilated front seats and a monobloc touch to the touch, the entire family can explore the world in comfort and style. Select the model suitable for your group: SR5, TRD Sport, Trd Pro, Limited,
 Platinum or Nightshade Special Edition. Jump to: Top Models & Features Gallery offers Inventory Awards & Reviews Parts & Service La Toyota Sequoia is built for family adventure. The spacious interiors can accommodate up to eight seats, and the 5.7L V8 engine provides the power needed to take you where you want to go. That the journey begins
 When riding sequoia, there is only one class: the first. Listen to the music you want and watch the movies you love with the premium audio and video systems, and choose between different color fittings that reflect your sense of style. Connected Services 1 Our Connected Services suite offers greater comfort and tranquility. Safety Connectâ® -
Emergency SOS Assistance and Toyota RoadSide Assistance 24/7.2 Remote Connect - Start, block/unlock the doors and more, using your compatible intelligent device. 3 Destination. 4 Service Connect - Get personalized updates for the maintenance and vehicle health relations. 5
Wi -Fi Connect - Turn your Toyota into a hotspot with 4G connectivity. 6 Gallery for a canned frame for durability e Independent rear you've just been amazed to see on all SUVs, Sequoia is ready for your next family challenge. Whether your next family challenge to see on all SUVs, Sequoia is ready for your next family challenge. Whether your next family challenge to see on all SUVs, Sequoia is ready for your next family challenge.
capacity17 trailer17 Sequoia TRD Pro A is ready to take your adventures to the next level. Its suspensions are equipped with high performance FOXAA®12 shock absorbers with remote tanks and TRD-tuned springs help you to transport you on unforgivable terrain. And with an aluminum sled plate of thickness A1â4-in.- designed to protect things in
front, this robust body-on-frame SUV fears no traces.18Rigid Industriesî14 LED fog lights project a high intensity light long-range while drawing very little power. Their compact design à is made to fit perfectly to front bumper' interior to help you discover more thereò waiting for you. It leaves more¹ space to exterior with the mono-touch roof
with sliding parasol of Sequoia. Open it to get some fresh air light the inside or admire the stars above. They are the small things that make adventure more fun. Sequoia offers different seating configurations that allow you to accommodate any type of combination of passengers and equipment. The Recining19 function and the folding third row seat
allow you to make room for passengers or goods by simply pressing a button. Or you can simply fold up all the seats and enjoy 120 square meters of cargo space. 20In addition to its large compartment has a large compartment below for
larger things¹ and a smaller one above for the rest. Available with spacious and comfortable seating for eight, Sequoia Ãan advanced standard Automatic Limited-Slip Differential (Auto LSD) 21 uses brakes to reduce the rotation of individual wheels, offering better traction
performance on unpredictable road surfaces like sand or mud. Take with you familiar. Now with the sequoia audio multimedia system to obtain indications, indications, indications, call, send and receive messages and listen to the music, remaining concentrated on your journey. Accurate raptures at the time of publication. $500* The graduate discount for college $500* The college $500* The winner of the values
preserved better than Edmunds for large SUVs. 2019 Toyota ã ¢ â, ¬ â € Best Resale Value: brand, according to Kbb.com of 
 than the Toyota certified technicians. We take care of everything, from tires to brakes to batteries. Take a tour in this powerful and spacious Toyota natural SUV. With a trailer skill of up to 7,400 pounds. And options of seats to 8 passengers available, it is possible to pack everything in. In addition, no journey is complete without functionality of
connectivity such as the standard compatibility Android Auto â € Žâ ¢, Apple Carplayã ¢ ® and Amazon Alexa. 1. MSRP excludes the delivery fee, processing and management of $ 1,025 for cars (86, Avalon, Avalon HV, Camry, Camry HV, Corolla, Corolla HV, HB, Mirai, Prius, Prius
Cross, C-Hr, Highlander, Highlander HV, RAV4 Prime, Sienna, Tacoma, Venza), $ 1.495 for large SUVs (Land Cruiser, Sequoia) e $ 1,695 for Large for large suvs (tundra). (Historically, the producers and distributors have charged a separate commission for the processing, management and delivery of vehicles to dealers. The Toyota
Commission for these services is called "Delivery, processing and management tax" and yes Base on Toyota can² make a profit on delivery, processing and Fee) Excludes taxes, licenses, certificates and equipment available or needed at regional level. The
delivery, processing and processing fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher¹. Published prices do not apply to Puerto Rico and the U.S. Virgin Islands. The actual mileage varies. 2018 city-kilometers estimated by the EPA. Actual mileage will vary .2019 EPA-

estimated 30 city/38 hwy/33 mpg combined for the 2021 Corolla Hatchback XSE CVT. Use only for comparison purposes. Mileage will vary for many reasons, including vehicle condition and how/where you drive. See www.fueleconomy.gov. 63. EPA-estimate 54 city/50 hwy/52 mpg combined for 2021 Prius LE, XLE, 2020 Edition and Limited. Use only
 for comparison purposes. Mileage will vary for many reasons, including vehicle condition and how/where you drive. See www.fueleconomy.gov. 64. MSRP includes the delivery, processing and handling fee. (Historically, vehicle manufacturers and distributors have levied a separate tax on the processing, handling and delivery of vehicles to dealers.
 Toyota's commission for these services is called "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services provided by Toyota as well as on Toyota's overall fee structure. Toyota can make a profit on delivery, processing and handling Fee.) Taxes, licence, title and equipment available or
 required at regional level are excluded. Toyota delivers, and tax handling is $ 955 for cars, $ 1120 for SUV / van / small trucks, $ 1325 for large SUV SUVs $ 1,595 for large suv SUVs $ 1,595 for large trucks. Department retailer price. 65. The price recommended by the manufacturer excludes the delivery, processing and handling fee of $ 1,070 for cars (86, Avalon, Avalon HV,
Camry, Camry HV, Corolla, Corolla HV, RAV4 Prime, Sienna, Tacoma, Venza), $ 1,695 for Large Truck (Tundra), and $ 1,695 for large SUV (sequoia). (Historically, the builders
and vehicle distributors have applied a separate tax for the processing, handling and delivery of vehicles to the dealers. The Toyota Commission for these services is called "Delivery, transformation and handling" and is based on the Value of the processing, handling and delivery services provided by Toyota not on the overall tariff structure of Toyota.
Toyota can create a profit on delivery, processing and movement fee.) Taxes, license, title and equipment are excluded. Available or request at regional level. The MSRP price is valid only in TX, OK, AR, MS and La. The published prices do not apply to Puerto Rico and the American Virgin Islands. Actual price of the retailer Varier. 66. MSRP excludes
 the delivery, processing and management fee of $ 1,025 for cars (86, Avalon, Avalon HV, Camry, Camry HV, Corolla HV, RAV4 Prime, Sienna, Tacoma, Venza), $ 1,495 for large SUVs
(Land Cruiser, Sequoia) and $1,695 for large trucks (tundra). (Historically, the builders and vehicle distributors have applied a separate tax for the processing, handling and delivery of vehicles to dealers. The Toyota rate for these services is  «Delivery, transformation and movement feeâ» and is based on the value of the processing, handling and
OK, SC and TX will be higher. The published prices do not apply to Puerto Rico and the American Virgin Islands. The actual mileage varier 68. EPA range of EPA expected 13 City/17 Highway/14

Android A is a trademark of Google, LLC. 108 SofTexA® A is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 109. Test duration and availability service may vary depending on the model, model year or period of validity. The service will terminated automatically at the end of the trial subscription period unless you decide to continue the
service. If you do not wish to enjoy the trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM conditions. Cancelation, which includes
call 1-866-635-2349. Some services and features are subject to the device and availability position. All rates, content and features are subject to change. Sirius XM, Pandora and all related trademarks of Sirius XM, Pandora and Siri
Amazon.com, Inc. or its affiliates. Some functions require adequate signal power and/or technology/connectivity smartphone. Not all features by Amazon Alexa are available for use on board. For more information, see the applicable app. Downloading the Toyota app and the Toyota app and the Toyota app are both needed to start using Alexa in-vehicle.
Transmission charges may be imposed for certain functions. Apps and services subject to change in any without notice. For more information, visit the website . 111. 402 Score of total autonomy estimated by the EPA for 2021 Mirai Xle compared to competitors
2020 and 2021. Based on the data of the manufacturers on 28/10/2020. Use for comparison purposes only. The mileage will be for many reasons, including the condition of the vehicle and how/where you drive. See www.fueleconomy.gov. 112 TMS U.S.A. is not responsible for operability stations or their progress in construction. Estimated operating
dates are estimates and are subject to change as a result of the permit application/approval process, the construction process, the construction process and the station certification process and the station certification process. 113 The bird's eye view camera does not provide a complete view of the area around the vehicle. It should also look around the outside of the vehicle and use mirrors to confirm the
surrounding clearance area. Environmental conditions may limit efficacy and vision may become obscured. See Owner's Manual for further limitations and details. 114A speed 9 mph or less, the automatic braking assistance (PA w/AB) A is designed to help drivers avoid potential collisions with nearby static objects when the A is driving or reversing
and approaching the reversing vehicles. Don't overrely on PA w/AB. Always check the of vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors, including the shape, size and composition of an object or a vehicle and environmental factors.
402 EPA-estimate of the total rating range on 2021 Mirai XLE. For comparison purposes only. The mileage will vary for many reasons, including refueling practices, vehicle conditions and how/where you drive. See www.fueleconomy.gov. 116 The effectiveness of Toyota Safety Sense depends on many factors including road, weather and vehicle
conditions. Drivers are responsible for their safe driving. Always pay attention to the surrounding cÃ<sup>2</sup> and drive so See Owner's Manual for further limitations and details. 117 The vehicle user interface à is a Google product and the terms and privacy policy apply. To use Android Auto on the audio display, you'll need aut al eresse erpmes ebbervod

the owner's manual for limits and details. 131 Do not rely solely on the rear cross-traffic warning system. He always looks over his shoulder and uses mirrors to confirm the back clearance. There are limitations to function, f
operates only in case of some concurrent applications for brake pedal and accelerators. If involved, the system will reduce energy to help the brakes stop the vehicle. Factors including speed, road conditions and driver input can affect the stopping distance. Smart Stop Technologyà ® does not replace safe and careful driving and does not guarantee
immediate stop. See owner's manual for more limits and details. 133 Dynamic Radar Cruise Control (DRCC) A is designed to help the driver and toes not replace safe and careful driving practices. The effectiveness of the system depends on many factors including road, weather and traffic conditions. See owner's manual for more limits and details
134 The Wi-Fi Connect trial starts at activation and expires when 2GB of data is used or the 3-month period ends. Subscription required after test. Terms and conditions apply. 136 Before towing, confirm the vehicle and trailer are compatible, connected and properly loaded and that you have any additional equipment needed. Do not pass any weight
assessment and follow all instructions in the owner's manual. The maximum you can tow depends on the weight of the basic platform plus¹ the total weight of any load, occupants and equipment for added by the manufacturer, dealers
and/or vehicle owners. The only way to be sure of the exact weight of your vehicle Is to weigh the vehicle without passengers or freight. [Calculated by new SAE J2807 method.] The installation of a hitchhiking receiver or other accessories located near the rear bumper or the side may<sup>2</sup> require disabling or removing the calcium sensor and the setting
of the sensor operation in the vehicle should be turned off. See owner's manual for for 137. Safety Connect® depends on factors outside Toyota's control, including an operational telematic device, a cellular connection, GPS signal and availability wireless network, without which the and availability access to the response center and emergency
support. Police report of the stolen vehicle necessary to use the tracking device of the stolen vehicle. Some Features may require the Toyota app. Registration required after trial. Service subject to change at any time without notice. Subject to Terms of Use. Data charges may be charged. Service may vary by vehicle and
region. For more details, see the use precautions and service limitations in the Owner's Manual and at . For information on how to collect, use, share, and retain Toyota connected services data, visit . 138 Destination Assist depends on factors outside Toyota's control, including an operational telematic device, a cellular connection, GPS signal and
availability wireless network, without which the and availability of the system may be restricted or precluded. Use judgment when relying on the information provided. Service may vary by vehicle and region. Registration required after trial. Subject to Terms of Use. Data charges may be charged. For further limitations and

rely solely on Road Sign Assist (RSA). RSA A is a driver support system that uses the camera and the vehicle's forward navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or head-up display. Efficacy depends on road conditions, weather, vehicles and
signs. Use your common sense when using RSA and do not drive distracted. See owner's manual for more limits and details. 150. For hybrid, plug-in hybrid and fuel cell electric vehicles starting with the 2020 model, the hybrid battery (HV) A is covered for 10 years from the original date of first use or 150,000 miles, whichever occurs first. The cover
A is subject to the terms and conditions of the limited warranty of the new vehicle. See owner warranty and maintenance Help for details. 151 The ConnectÃã® security trial period has no additional costs and starts on the original date of purchase or lease of a new vehicle. After the trial period expires, Ã is required to sign up for a paid subscription
to access the service. Pay subscription required after test to access the service. 152 The pre-collision system (PCS) with pedestrian detection (PD) à is designed to determine if the impact à is imminent and help reduce the speed and impact damage in certain frontal collisions involving a vehicle or pedestrian. PCS W/PD does not substitute for safe
and careful driving. The effectiveness of the system depends on many factors, such as speed, size and position of pedestrians and weather, light and road conditions. See owner's manual for more limits and details. 153 Toyotacare covers normal factory scheduled maintenance for two years or 25,000 af af ol non adarts al ognul aznetsissa'L .otatimilli

exclusions. Valid only in continental United States 154. Lane Departure Alert with Steering Assist A is designed to read lane markers visible under certain conditions. It provides a visual and acoustic alarm and a slight driving force when starting from the lane. It is not an anti-collision system or a safe and careful driving substitute. Efficacy depends
on many factors, including road, weather and vehicle conditions. See Owner's Manual for further limitations and details. 155 Lane Tracing Assist (LTA) A is enabled by DRCC. See Owner's Manual for further limitations and details.
156 Stability Control of the vehicle A is an electronic system designed to help the driver maintain control of the vehicle in adverse conditions. It does not replace safe and careful driving practices. Factors such as speed, road conditions, weather conditions and driver actuation may influence the effectiveness of VSC in preventing a loss of control. See
Owner's Manual for further limitations and details. 157 Selection of the genuine Toyota tow hook will require the removal or disabling of the sensor operation in the vehicle shall be disabled. Water, weather, dirt and other conditions may also cause the sensor to malfunction or operate unintentionally. See
Owner's Manual for restrictions. 158 Lane Departure Alert A is designed to read visible lane markers under certain conditions, and provide visual and acoustic warnings when the lane. It is not an anti-collision system or a safe and careful driving substitute.
Manual for further limitations and details. 159 The probationary period of Service Connect Ac al cost and commences on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect Ac al cost and commences on the original date of purchase or lease of a new vehicle. Subscription required after trial.
renewal. Service Connect is not renewable as a standalone service. 160 Automatic High Beams operate at high speed exceeding 25 mph. Factors such as dirty windshields, weather conditions, lighting and ground efficiency limit, requiring the driver to manually operate the high beams. See Owner's Manual for further limitations and details. 161
ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Some models require a different maintenance guide. 24-hour road assistance is also included for two years, unlimited mileage. Road handling does not include parts and fluids, except for the
supply of emergency fuel. Consult your Toyota dealer for details and exclusions. Valid only in continental United States 162. Airbag systems are additional restraint systems and are designed to inflate only under certain conditions and in certain types of serious collisions. To reduce the risk of injury from an inflatable airbag, always wear seat belts and
sit upright in the center of the seat as far away from the seat as far away from the seat back as possible. Do not place objects in front airbag or around backrest. Do not use a child seat facing back any passenger front seat. See Owner's Manual for further limitations and details. 163 Hill Start Assist Control A was designed to minimize backward movement on steep climbs.
It does not replace judgment and safe driving practices. Factors the speed, grade, surface conditions and details. 164 The engine immobilizer A is a state-of-the-art anti-theft system that starts when the key is inserted ro
